TO WHOM IT MAY CONCERN:

Please accept this letter in support of Harvey Davis's application for the Director of Infrastructure Management opportunity with Fulton County Schools.

In my capacity as Manager of Technology Finance and Administration for the Atlanta Committee for the Olympic Games, I worked closely with Harvey in the budget allocation of technology hardware. He was responsible for the ACOG pre-games office infrastructure, desktop support, application systems and Help Desk operations. Harvey also planned and managed the Games-time Technology Operations Center Help Desk function and played an integral part in orchestrating and executing the post-Games technology infrastructure dissolution.

I recommend Harvey as a great team player who did whatever it took to get the job done, and I am sure will make an immediate and lasting impact on any organization he joins. Please feel free to contact me at 678.539.4197 or [scarr@boltongroup.com](mailto:scarr@boltongroup.com) if you have any questions or need further information.

Sincerely,
